Dear Preston,

Please know that you and your family are in our thoughts and prayers. You and Jun Sook have lost a father and your children have lost a Grandfather. I can only imagine how much he will be missed.

Even though I never had the opportunity to meet him, I know he was a great man not because of the accolades that all have read about but because of what I see in you. Your commitment to your family, you country, and your vision is something that can only be acquired through a childhood and mentorship that a great father injects. There is nothing more important for a man do accomplish in life than to raise his children with the qualities that I see in you.

Donna and I consider it an honor and privilege to know you and Jun Sook and count you among our friends. I wish you and your family strength through this time of mourning.

If there is anything that we can do for you please let us know. We are here to assist in anyway possible.

Your Friends for Life,

Rev. Dr. Robert and Donna Schuller
